6th July 2018

Ref: EndofTerm

Dear Parent/Carer and Student,

First of all, can I say to all our students, "Well done for your efforts and the progress you've made this year. We've been proud to work with you." Thanks also to all the support parents and carers have given in supporting the things we have been trying to achieve with our young people. Without your support we don't make the progress we know is possible.

For those students returning in Autumn 2018 the term begins for on **Wednesday September 5th 2018**. This will be either at The Bridge School or at their Provider placement. Your child's Key Worker will inform you of their timetable and location before the summer break. Your child will currently be working with the Assistant Head, Wayne Alexander, and their Key Worker to decide which subject options they wish to take.

In Autumn Term a new Bridge School Vocational Learning Centre will open approximately 5 minutes' walk from The Bridge School. This is called 'Unit 37'. I would like to stress the importance attending the subjects they have chosen, and of completing learning time in the school. At either of these places lateness to lessons or workshops, absence, or non-participation will have a significant impact on the grades your child can achieve. Students are always taught in small groups, so if they attend and engage with their learning, your child should make good and fast progress.

In September there will be some additional new members of staff that will be working hard to raise standards of teaching, create opportunities for achievement for each individual young person, and ensure The Bridge School continues to deliver ever improving outcomes for our students and families.

Can I wish you a safe and enjoyable summer break. We look forward to working with you in September.

Yours Sincerely,

Nigel Hunt

Head Teacher, The Bridge School.
